GSP™

QUALIFIED ACADEMIC PROGRAMS
(QAPs)

The following academic programs meet standards which qualify graduates for BCSP's Graduate Safety Practitioner® (GSP®) designation.

BCSP | Board of Certified®
Safety Professionals

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Alabama at Birmingham, University of* (USA)	Master of Engineering, Advanced Safety Engineering and Management	_____	**Graduate between: 08/01/2010 – 12/31/2021** Must apply by 12/31/2022 **Graduate on or after: 01/01/2022** Apply within one year of graduation
Alagappa College of Technology** Anna University, Chennai (India)	Master of Technology in Industrial Safety and Hazards Management	_____	Must apply within one year of graduation
Bannari Amman Institute of Technology (Autonomous)** Anna University, Chennai (India)	Master of Engineering in Industrial Safety Engineering	_____	**Graduate between: 10/01/2016 – 03/31/2022** Must apply by 03/31/2023 **Graduate on or after: 04/01/2022** Apply within one year of graduation
Boise State University* (USA)	Public Health, Environmental and Occupational Health Emphasis, BSPH *(Formerly Environmental and Occupational Health, BS)*	_____	Must apply within one year of graduation
Brigham Young University - Idaho* (USA)	Occupational Safety and Health, BS *(Formerly Health Science, Occupational Safety and Health Major, BS)*	_____	Must apply within one year of graduation
California State University - Fresno* (USA)	Health Science, Environmental, Occupational Health and Safety Option, BS *(Formerly Environmental Health and Safety, BS)*	_____	Must apply within one year of graduation
California State University - Sacramento* (USA)	Public Health, Occupational Health and Safety, BS	_____	Must apply within one year of graduation
Capitol Technology University* (USA)	Construction Safety, BS	_____	Must apply within one year of graduation
Capitol Technology University* (USA)	Construction Safety, MS	_____	Must apply within one year of graduation

ABET — Accreditation Board for Engineering and Technology accredited
AABI — Aviation Accreditation Board International accredited

BCSP QAP List | V.2022.10.01
© 2022 Board of Certified Safety Professionals

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Central Missouri, University of* (USA)	Environmental, Safety, and Risk Management, BS	——————	Must apply within one year of graduation
Central Missouri, University of* (USA)	Industrial Hygiene, MS	ABET	Must apply within one year of graduation

Central Missouri, University of* (USA)	Occupational Safety, BS
	  Environmental Management Option
	  Occupational Health Management Option
	  Safety Management Option
		ABET	Must apply within one year of graduation

Central Missouri, University of* (USA)	Occupational Safety and Health, BS	ABET	Must apply within one year of graduation

Central Missouri, University of* (USA)	Occupational Safety Management, MS
	  EHS Degree/Work Experience Option
	  Foundation Option
	  Professional Certification Option
		ABET	Must apply within one year of graduation

Central Missouri, University of* (USA)	Safety Management, BS	——————	Must apply within one year of graduation
Central Oklahoma, University of* (USA)	Occupational Safety, BS *(Formerly Industrial Safety, BS)*	——————	Must apply within one year of graduation
Central Washington University* (USA)	Safety and Health Management, BS	ABET	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Central Washington University* (USA)	Safety and Health Management, MS	——————	Must apply within one year of graduation
Central Washington University* (USA)	Risk, Insurance, and Safety Management, BAS	——————	Must apply within one year of graduation
Central Washington University* (USA)	Risk, Insurance, and Safety Management, BS	——————	Must apply within one year of graduation
Cincinnati, University of* (USA)	Environmental Health and Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Cochin University of Science and Technology** (India)	Bachelor of Technology in Safety and Fire Engineering	——————	Must apply within one year of graduation
Cochin University of Science and Technology** (India)	Master of Technology in Industrial Safety, HSE Management Specialization	——————	Must apply within one year of graduation
Colorado State University* (USA)	Environmental Health, Industrial Hygiene Specialization, MS	ABET	Must apply within one year of graduation
Columbia Southern University* (USA)	Occupational Safety and Health, BS *(Must submit a "Verification of Education" form with your application. Please check with your academic advisor to be evaluated and accepted into the new program beginning April 12, 2017.)*	——————	Must apply within one year of graduation

ABET — Accreditation Board for Engineering and Technology accredited
AABI — Aviation Accreditation Board International accredited

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Columbia Southern University* (USA)	Occupational Safety and Health, MS	——————	Must apply within one year of graduation
East Carolina University* (USA)	Occupational Safety, MS	ABET	Must apply within one year of graduation
Eastern Kentucky University* (USA)	Occupational Safety, BS	——————	Must apply within one year of graduation
Eastern Kentucky University* (USA)	Safety, Security & Emergency Management, MS Occupational Safety Concentration	——————	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Daytona Beach* (USA)	Aerospace and Occupational Safety, BS *(Formerly Safety Science, BS)*	ABET	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Daytona Beach* (USA)	Occupational Safety Management, MS	——————	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Prescott* (USA)	Safety Science-Occupational Safety Track, MS *(Formerly Safety Science, MS)*	AABI	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Worldwide* (USA)	Occupational Safety Management, MS	——————	Must apply within one year of graduation

ABET — Accreditation Board for Engineering and Technology accredited
AABI — Aviation Accreditation Board International accredited

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Embry-Riddle Aeronautical University-Worldwide* (USA)	Safety Management, BS	——————	Must apply within one year of graduation
Embry-Riddle Aeronautical University-Worldwide* (USA)	Technical Management, Occupational Safety and Health Major, BSTM	——————	Must apply within one year of graduation
Eranad Knowledge City Technical Campus (Affiliated)** APJ Abdul Kalam Technological University (India)	Bachelor of Technology in Safety and Fire Engineering	——————	**Graduate between: 08/01/2019 – 06/30/2022** Must apply by 06/30/2023 **Graduate on or after 07/01/2022** Apply within one year of graduation
Excel Engineering College (Autonomous)** Anna University (India)	Master of Engineering in Industrial Safety Engineering	——————	**Graduate between: 08/01/2019 – 09/30/2022** Must apply by 09/30/2023 **Graduate on or after 10/01/2022** Apply within one year of graduation
Fairmont State University* (USA)	Occupational Safety, BS	ABET	Must apply within one year of graduation
Findlay, University of* (USA)	Environment, Health, Safety, and Sustainability, BS (Formerly Environmental Safety and Occupational Health Management, BS)	ABET	Must apply within one year of graduation
Findlay, University of* (USA)	Environmental, Safety and Health Management, Safety Leadership Emphasis, MS	——————	Must apply within a year of graduation
Florida Institute of Technology* (USA)	Aviation Safety, MSA	——————	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Grand Valley State University* (USA)	Occupational Safety and Health Management, BS	ABET	Must apply within one year of graduation
Georgia Institute of Technology* (USA)	Professional Master's in Occupational Safety and Health	——————	Must apply within one year of graduation
Houston-Clear Lake, University of* (USA)	Occupational Safety & Health - Safety, BS (Formerly Environmental Science - Safety, BS)	ABET	Must apply within one year of graduation
Houston-Clear Lake, University of* (USA)	Occupational Safety & Health - Industrial Hygiene, BS (Formerly Environmental Science - Industrial Hygiene, BS)	ABET	Must apply within one year of graduation
Houston-Clear Lake, University of* (USA)	Occupational Safety & Health, MS Safety Specialization Industrial Hygiene Specialization	——————	Must apply within one year of graduation
Illinois State University* (USA)	Occupational Safety and Health, BS (Formerly Safety, BS)	ABET	Must apply within one year of graduation
Illinois-Chicago, University of* (USA)	Industrial Hygiene, MPH	ABET	Must apply within one year of graduation
Illinois-Chicago, University of* (USA)	Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Illinois-Chicago, University of* (USA)	Occupational Safety, MPH	——————	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Illinois-Chicago, University of* (USA)	Occupational Safety, MS	_____	Must apply within one year of graduation
Indiana State University* (USA)	Safety Management, BS	ABET	Must apply within one year of graduation
Indiana University - Bloomington* (USA)	Applied Health Science, Safety, BS	_____	Must apply within one year of graduation
Indiana University - Bloomington* (USA)	Applied Health Science, Safety Management, MS	_____	Must apply within one year of graduation
Indiana University of Pennsylvania* (USA)	Safety, Health and Environmental Applied Science, BS *(Formerly Safety Science, BS)*	ABET	Must apply within one year of graduation
Indiana University of Pennsylvania* (USA)	Safety Sciences, MS	_____	Must apply within one year of graduation
Iowa State University* (USA)	Industrial Technology, Occupational Safety Option, BS *(Must submit a "Degree Audit" with your application.)*	_____	Must apply within one year of graduation
Jacksonville State University* (USA)	Occupational Safety and Health Management, BS	_____	Must apply within one year of graduation
Keene State College* (USA)	Construction Safety Sciences, BS	_____	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Keene State College* (USA)	Safety and Occupational Health Applied Sciences, BS	_____	Must apply within one year of graduation
Keene State College* (USA)	Safety and Occupational Health Applied Sciences, MS	_____	Must apply within one year of graduation
Marshall University* (USA)	Occupational Safety and Health, BS *(Formerly Safety Technology, Occupational Safety Option, BS)* *(Formerly Safety Technology, BS)*	ABET	Must apply within one year of graduation
Mepco Schlenk Engineering College. Sivakasi (Autonomous)** Anna University, Chennai (India)	Master of Engineering in Industrial Safety Engineering	_____	**Graduate between: 10/01/2016 – 03/31/2022** Must apply by 03/31/2023 **Graduate on or after: 04/01/2022** Apply within one year of graduation
Michigan, University of* (USA)	Environmental Health Sciences-Industrial Hygiene, MPH	ABET	Must apply within one year of graduation
Millersville University of Pennsylvania* (USA)	Occupational Safety & Environmental Health, BS (Formerly Occupational Safety/Hygiene, BS)	ABET	Must apply within one year of graduation
Minnesota-Duluth, University of* (USA)	Environmental Health and Safety, MS	_____	Must apply within one year of graduation
Missouri Southern State University* (USA)	Environmental Health and Safety, BAS	_____	Must apply within one year of graduation
Missouri Southern State University* (USA)	Environmental Health and Safety, BS	_____	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Montana-Montana Tech, University of* (USA)	Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Montana-Montana Tech, University of* (USA)	Industrial Hygiene Distance Learning/Professional Track, MS	ABET	Must apply within one year of graduation
Montana-Montana Tech, University of* (USA)	Occupational Safety and Health, BS	ABET	Must apply within one year of graduation
Murray State University* (USA)	Occupational Safety and Health, BS	ABET	Must apply within one year of graduation
Murray State University* (USA)	Occupational Safety and Health, MS	ABET	Must apply within one year of graduation
National Fire Service College, Nagpur (Affiliated)** RTM Nagpur University (India)	Bachelor of Engineering in Fire Engineering	_____	Must apply within one year of graduation
National Institute of Industrial Engineering, Mumbai** (India)	Post Graduate Diploma in Industrial Safety and Environment Management	_____	Must apply within one year of graduation
National Institute of Technology, Tiruchirappalli ** (India)	Master of Technology in Industrial Safety Engineering	_____	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Nicholls State University* (USA)	Safety Management, BS *(formerly Petroleum Services, Safety Technology Concentration)*	——————	**Graduate between: 08/01/2012 – 09/30/2022** Must apply by 09/30/2023 **Graduate on or after 10/01/2022** Apply within one year of graduation
North Alabama, University of* (USA)	Occupational Health Science, BA *(Formerly Industrial Hygiene, BA)*	ABET	Must apply within one year of graduation
North Alabama, University of* (USA)	Occupational Health Science, BS *(Formerly Industrial Hygiene, BS)*	ABET	Must apply within one year of graduation
North Carolina-Charlotte, University of* (USA)	Fire & Safety Engineering Technology-Occupational Safety Concentration, BSET	——————	Must apply within one year of graduation
North Carolina A&T State University* (USA)	Environmental Health and Safety, BS	ABET	Must apply within one year of graduation
Northeastern State University* (USA)	Environmental, Health, and Safety Management, BS	——————	Must apply within one year of graduation
Oakland University* (USA)	Environmental Health and Safety, BS *(Formerly Occupational Safety and Health, BS)* *(Formerly Industrial Health and Safety, BS)*	ABET	Must apply within one year of graduation
Oakland University* (USA)	Safety Management, MSSM	ABET	Must apply within one year of graduation
Oklahoma Health Sciences Center, University of* (USA)	Industrial Hygiene and Environmental Health Sciences, MS	ABET	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Oklahoma State University* (USA)	Fire Protection and Safety Engineering Technology, BS *(Formerly Fire Protection and Safety Technology, BS)*	ABET	Must apply within one year of graduation
Oregon State University* (USA)	Environmental and Occupational Health, MPH	——————	Must apply within one year of graduation
Otto von Guericke University** Institute of Apparatus and Environmental Engineering (Germany)	Master of Science in Process Safety and Environmental Engineering	——————	**Graduate between: 10/01/2016 – 03/31/2022** Must apply by 03/31/2023 **Graduate on or after: 04/01/2022** Apply within one year of graduation
Pittsburg State University* (USA)	Environmental and Safety Management, BST	——————	Must apply within one year of graduation
Purdue University Northwest* (USA)	Organizational Leadership and Supervision, EHS Specialization, BS *(Formerly Organization Leadership and Supervision, Safety Specialization, BS)*	ABET	Must apply within one year of graduation
Purdue University at West Lafayette* (USA)	Occupational and Environmental Health Sciences, BS *(Formerly Occupational Health Science, BS)* *(Formerly Industrial Hygiene, BS)*	ABET	Must apply within one year of graduation
Purdue University at West Lafayette* (USA)	Occupational and Environmental Health Sciences, MS	ABET	Must apply within one year of graduation
Sahid University, Jakarta** (Indonesia)	Master of Science in Occupational Health and Safety Management	——————	Must apply within one year of graduation
Slippery Rock University of Pennsylvania* (USA)	Safety Management, BS *(Formerly Safety and Environmental Management, BS)*	——————	Must apply within one year of graduation

ABET — Accreditation Board for Engineering and Technology accredited
AABI — Aviation Accreditation Board International accredited

© 2022 Board of Certified Safety Professionals

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Southeastern Louisiana University* (USA)	Occupational Safety, Health, and Environment, BS	ABET	Must apply within one year of graduation
Southeastern Oklahoma State University* (USA)	Occupational Safety and Health, BS	——————	Must apply within one year of graduation
Southeastern Oklahoma State University* (USA)	Occupational Safety and Health, MS	——————	Must apply within one year of graduation
Texas A & M University* (USA)	Occupational Safety and Health, MPH	——————	Must apply within one year of graduation
Thiel College* (USA)	Environmental Safety Management, BS	——————	Must apply within one year of graduation
Toc H Institute of Science & Technology (Affiliated)** APJ Abdul Kalam Technological University (India)	Bachelor of Technology in Safety and Fire Engineering	——————	**Graduate between: 10/01/2016 – 03/31/2022** Must apply by 03/31/2023 **Graduate on or after: 04/01/2022** Apply within one year of graduation
Toledo, University of* (USA)	Occupational Health - Industrial Hygiene, MS	ABET	Must apply within one year of graduation
Tulane University* (USA)	Industrial Hygiene, MSPH *(Formerly Environmental Health Science, MSPH)*	ABET	Must apply within one year of graduation
Utah State University* (USA)	Public Health: Industrial Hygiene Emphasis, BS	ABET	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Utah, University of* (USA)	Occupational Health - Industrial Hygiene Emphasis, MSOH	ABET	Must apply within one year of graduation
Vel Tech Rangarajan Dr. Sagunthata R&D Institute of Science and Technology** (India)	Master of Technology in Industrial Safety and Engineering	——————	**Graduate between: 08/01/2017 – 06/30/2022** Must apply by 06/30/2023 **Graduate on or after 07/01/2022** Apply within one year of graduation
Waldorf University* (USA)	Occupational Safety, BAS	——————	Must apply within one year of graduation
Waldorf University* (USA)	Occupational Safety, BA	——————	Must apply within one year of graduation
Wayne State College* (USA)	Industrial Technology-Safety Management Concentration, BS	——————	Must apply within one year of graduation
West Virginia University* (USA)	Industrial Hygiene, MS *(Formerly Occupational Hygiene and Occupation Safety, MS)*	ABET	Must apply within one year of graduation
West Virginia University* (USA)	Safety Management, MS	ABET	Must apply within one year of graduation

Wisconsin-Platteville, University of*
(USA)
	Construction Management, BS
	    Construction Safety Management Emphasis
	    Construction Management Emphasis
	(Formerly Industrial Technology Management, Building Construction, Safety Management Emphasis, BS)
		——————	Must apply within one year of graduation

Wisconsin-Platteville, University of* (USA)	Industrial Technology Management, BS Occupational Safety Management Emphasis	——————	Must apply within one year of graduation

College/University	QAP Program and Degree Name	ABET/AABI Accredited Program	Applicable Dates
Wisconsin-Stout, University of* (USA)	Risk Control and Safety Management, MS *(Formerly Risk Control, MS)*	——————	Must apply within one year of graduation
Wisconsin-Whitewater, University of* (USA)	Environmental Safety and Health, MS	——————	Must apply within one year of graduation
Wisconsin-Whitewater, University of* (USA)	Occupational Safety, BS	ABET	Must apply within one year of graduation

*U.S. academic institutions are recognized by the U.S. Department of Education and/or the Council of Higher Education Accreditation (CHEA), and the SH&E degree program demonstrates a substantial match to the current Associate Safety Professional® (ASP®) examination blueprint.

**Non-U.S. academic institutions are accredited and/or recognized in their country of origin, are determined to be comparable to U.S. accreditation standards as evaluated by a third party, and the SH&E degree program demonstrates a substantial match to the current Associate Safety Professional (ASP) examination blueprint.
